West Coast Auto Dismantlers & Recyclers Convention / Trade Show
September 14TH & 15TH , 2018
Caesars Palace Las Vegas, Nevada

Trade Show: Saturday evening, September 15th

A full evening dedicated exclusively to table-top exhibits and socializing will be the perfect time to display your products or services, and to personally meet with the leading auto recyclers and dismantlers on the West Coast. A dinner buffet will be served during the event.

With the expectation of attracting attendees from all over California and beyond who love the Las Vegas area and SCADA conventions, we anticipate a great attendance at this show.

Sponsorships

Your generous sponsorships make this event a success! You'll be publicly recognized as a supporter of the California auto dismantling and recycling industry when you sponsor convention items or one of the special events. A full list of opportunities provides many choices for the best return on your sponsorship investment. If an exclusive sponsorship doesn't fit your budget, we'll get you together with a non-competing company to share the spotlight.

REASONS TO SPONSOR:

Promotion to dismantlers and recyclers on the West Coast!

Acknowledgements in convention registration materials and at convention events!

Recognition as a supporter of the California vehicle recycling and dismantling industry!

Private VIP tour of Shelby American and Counts Kustoms!

This year we'd like to invite our Vendors and Exhibitors to join our attendees on a private tour of the **Shelby American Factory** and **Counts Kustoms**. Enjoy an array of rare Shelby cars on display at Shelby American...viewing some of the most famous cars ever made. At Counts Kustoms, made famous by the television show **Counting Cars**, our group will have a private, behind the scenes tour, accompanied by one of the stars from the hit TV show! There will be time for group discussions and pictures! This is a great opportunity for you to mingle and build relationships with convention attendees outside of the trade show. Join us on tour.... It's going to be a blast! (Transportation will be provided)

Welcome Reception

Have you heard of the High Roller? This years Welcome Reception will be held in the Wheel House located at the base of the High Roller....Las Vegas' own giant ferris wheel!
